

Unlimited skiing fun!

In Austria's largest skiing area and one of the five largest in the world, perfectly prepared ski runs, exciting freeride runs, cool snowparks and unique highlights such as the longest ski run in the Alps, the RUN of FAME, are waiting to be discovered. Always tangible: the pioneering spirit

of the Arlberg, which laid the foundations for modern skiing and constantly drove it forward. Many technical innovations and legendary skiing pioneers made the Arlberg famous as the cradle of alpine skiing.

Welcome to Ski Arlberg!

Following SkiPioneers and SkiStars

On the RUN of FAME winter sports enthusiasts can venture out onto the longest ski circuit in the Alps! The 85 kilometre long three-pass pleasure trip over the Arlberg, Flexen and Hochtannberg passes with an altitude range of 18,000 metres is dedicated to the skiing pioneers, ski stars as well as film stars who once themselves flew down the snowy slopes of the Arlberg on their skis, leaving their mark there.

The HALL of FAME with a spectacular view towards Zürs is located at the heart of the RUN of FAME at the top station of the Flexen-/Trittkopfbahn I. This is a unique exhibition with a number of highlights such as the interactive HUNT of FAME chase.

News

This winter two of the Galzig restaurants will be showing off their new look. Enjoy the appealing Galzig Restaurant with its new sun terrace offering classic dishes to trendy new bowls and the menu of the award-winning cuisine in the incomparable Verwallstube also features new highlights.

Local and ski bus

Blue local buses run in Lech and Zürs. The ski buses in St. Anton/ St. Jakob and in Pettneu, Schnann and Flirsch are marked with the line numbers. These buses and the Warth-Schröcken ski bus (between Schröcken-Unterboden and Warth-Lechleiten) as well as the Lechtal ski bus are free of charge with a valid ski pass (for the purpose of alpine skiing).

Please note: Yellow post buses between St. Anton/St. Christoph (free section) and Lech Zürs are subject to a charge.

Sonnenkopf: A free ski bus from Stuben am Arlberg to the Sonnenkopfbahn base station and back runs several times a day.

St. Anton: 08:00 am – 04:30 pm

St. Christoph: 08:15 am – 04:15 pm

Stuben: 08:00 am – 04:30 pm

Lech, Oberlech und Zürs: 08:00 am – 04:45 pm

Ki pass centre Lech (base station Rüfikopf) until 06:00 pm

Clösterle/Sonnenkopf: 08:30 am – 04:30 pm

Pettneu Tourist Office: Mon–Sat 08:00 am – 06:00 pm,

Sun 08:00 am – 11:00 am

Pettneu Wellness Park: Mon–Sun 01:00 pm – 10:00 pm,

Closed on Wed

Warth: 08:30 am – 04:30 pm

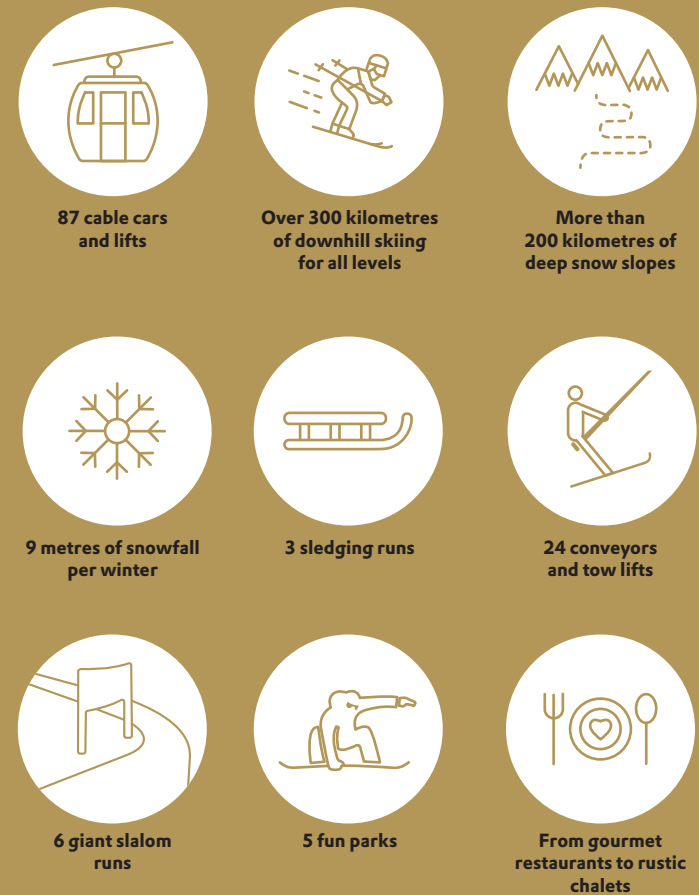

Schröcken: 08:30 am – 04:30 pm

In the high season, extended opening hours at the main ticket offices for advance ticket sales: in Lech and Zürs on Saturday, in St. Anton and Nasserein on Saturday and Sunday.

Operating hours

The operating hours of the lifts and cable cars are shown online at www.skiarlberg.at, on the Ski Arlberg App and at the ski pass ticket offices or the lifts/cable cars.

Ski Arlberg at a glance

87 cable cars and lifts

Over 300 kilometres of downhill skiing for all levels

More than 200 kilometres of deep snow slopes

9 metres of snowfall per winter

3 sledging runs

24 conveyors and tow lifts

6 giant slalom runs

5 fun parks

From gourmet restaurants to rustic chalets

Ski & Action

Excitement

Snow and fun parks

Whether beginner or pro – on the Arlberg all freestyle fans get their money's worth, either at the well-equipped snow and fun parks or on one of the numerous fun slopes.

Sledging runs

With winding natural sledging runs, evening sledging through snow-covered forests and much more, the sledging runs on the Arlberg offer winter fun for the whole family.

Race slopes & speed checks

Ambitious winter sports enthusiasts can demonstrate their skills on the numerous race courses in all ski regions. All information for the individual ski regions is available on the Ski Arlberg website in the Ski & Action section.

Detailed information at www.skiarlberg.at

Arlberg Safety Card (ASC)

Entitlement (subsidiary) to reimbursement of recovery costs after a skiing accident in the skiing region organised by Ski Arlberg with the Arlberg Safety Card – the card is available at the ski pass ticket offices for € 15.00 (up to 8 days) or € 25.00 (from 9 days incl. season ticket). The following company is obliged to provide the services covered by the ASC and is a contractual partner of the holder of an ASC: Wucher Helicopter GmbH, Hans-Wucher-Platz 1, 6713 Ludesch, Hotline: +43 664 15 31 192, www.wucher.at. Should you have incurred retrieval costs please forward the respective invoices to helicopter@wucher.at.

For weekly evening sledging events see noticeboard and website
Speed Check St. Anton: STANTON SPEED at the Rendl Lech: at the Weibermahd, with photo point and time of Olympic champion Patrick Ortlieb Schröcken: at the Kuchl	

Ski runs are marked and prepared if possible; they are checked and secured against atypical alpine dangers, especially avalanches. — Ski run: Beginners — Ski run: Advanced — Ski run: Medium	Ski routes are marked and only secured against the risk of avalanches; they are generally not prepared or checked, or only in some cases. — Ski route — Ski route: Extreme	For information on the current slope conditions refer to the panoramic boards at the cable car stations. Flashing green or orange: Warning - queues! (Ski Airlberg app and www.skiarberg.at -> always orange)	Warning lights: Yellow: Outside the safeguarded ski runs there is the risk of avalanches: Level 4 (= HIGH) or Level 5 (= VERY HIGH) Orange: Slope maintenance equipment in use Ski run and ski route signs: — closed — open	Slope closures and avalanche blasting: It is forbidden and a chargeable offence to enter closed ski runs and ski routes. It is not permitted, without exception, to enter forested areas and walk or sledge on ski runs. From the last checking run, immediately after the last ascent, ski runs and ski routes are closed due to the danger from slope maintenance vehicles and cable winches. Caution! No safety cordons! When there is a risk of avalanches, never use closed runs. In order to safeguard their own safety, people on tours outside the safeguarded and open ski runs are responsible for obtaining information about blasting from slope management. Please note: During and after fresh snow falls there will be avalanche blasting in the area - risk of avalanches! Avoid areas with avalanche risk at these times! Information at the base stations. Skiing accidents: In the case of an accident, please report the accident with exact details using the emergency call point, nearest lift station or designated call point. For the telephone numbers for the ski run rescue service for the respective area, refer to the information block. The ski run rescue service is	chargeable. Ski run preparation: The use of slope maintenance machines, also while the ski runs are in operation, cannot be avoided. Please be sure to keep a safe distance from these machines. Do not cross below slope maintenance vehicles on steep slopes as these may accidentally slip down. Where the view is restricted, in narrow passages or on cat-tracks, take extra care as slope maintenance vehicles may come the other way. Fresh snow: The Airlberg lifts and cable cars are well known for their efforts to offer perfect ski run conditions every day. However, when fresh snow falls it is unfortunately not always possible to prepare all runs at the same time, even with maximum deployment of slope maintenance equipment. Furthermore, in certain weather conditions fresh snow will not attach itself to the older snow covering below and will slip, forming heaps and bumps, in spite of the preparation work. This cannot be prevented, even with the best ski run management.	For safe enjoyment in our ski area please follow the valid FIS regulations for skiers and snowboarders and above all to be careful and considerate. The complete FIS regulations are available at many lift access points and at www.skiarberg.at
